What my clients say about me

Mikul Patel

Product manager

Tedx speaker

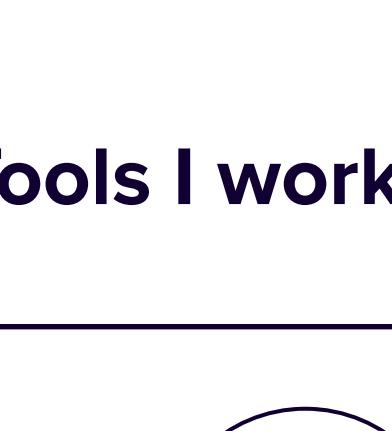

Founder, CEO

Master of Business Administration

Bhavya has been one of the fastest graphic designers I have ever seen. along with this, she has been a risk taker and dares to come up with and execute crazy ideas. She is a quick learner and has learnt various verticals of graphic designing over time.

Shashank Pendyla

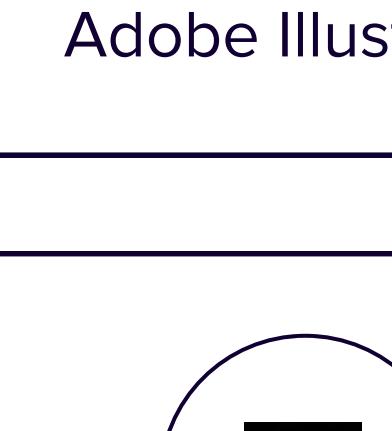

Product manager

Master of Business Administration

I got some posters and a logo designed by Bhavya and they turned out great! The designs were very simple and elegant, giving the designs a professional look. She delivers her work at a stunningly fast pace making her reliable.
