I'm a self-taught designer, who loves to solve problems

Design is all about problem solving :)

📞 **Contact me**
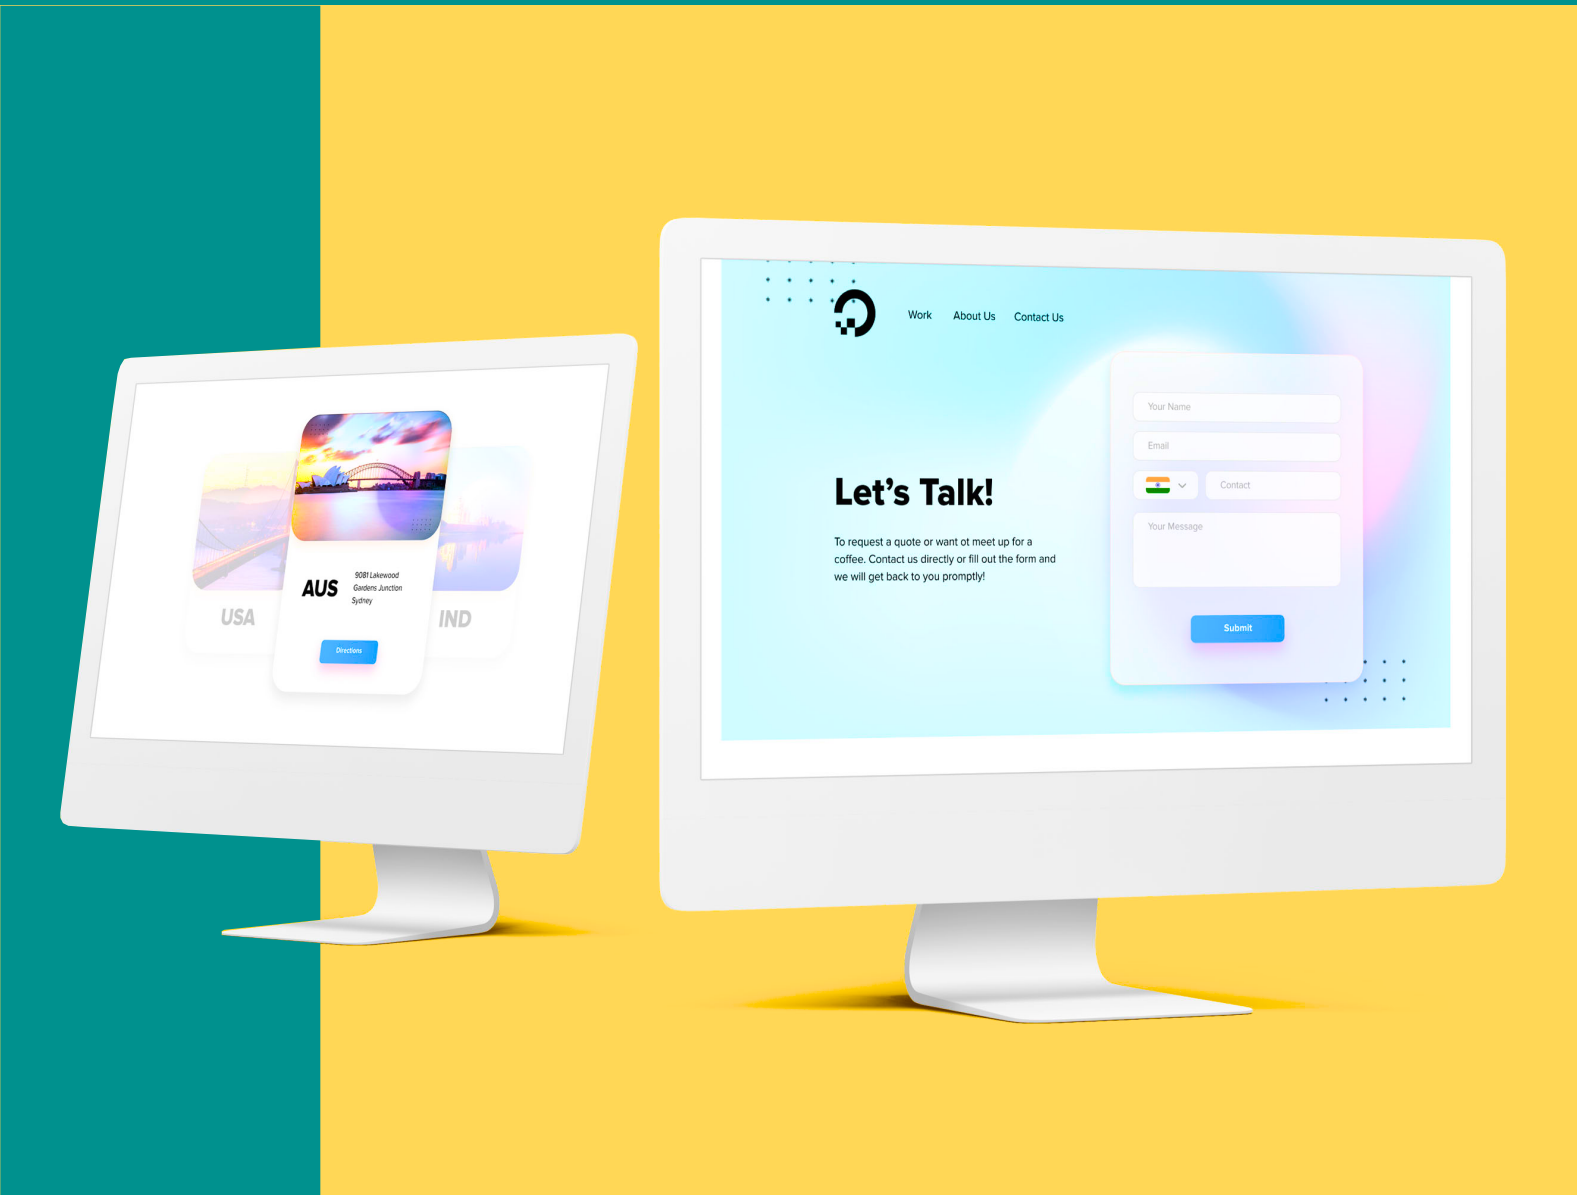

2015 Aug	👩‍🎓	**Bachelor's in computer science** LDRP-ITR, Gandhinagar, India
2019 May		**Graphic Designer** Moodcafe, Ahmedabad, India
2020 Jan		**Visual Designer** Qiworks, Bangalore, India
2021 Jan		**Freelance Visual Designer** India
2021 Sep		**PG-Diploma Interactive Media Design** PG diploma, Fanshawe college, London, Ontario, Canada

keeping a long story short,

I developed my keen interest in visual design while pursuing my engineering. I worked with various brands after my graduation to have a fair understanding of design trends and industry. While practising and learning design I chose to enhance my skills more and got enrolled in Fanshawe. I possess a wide range of abilities that combine innovative art and design principles.
